

IT'S A PARTNERSHIP: LASD + LAEF + PTA + *YOU!*

LASD schools are consistently ranked in the top 1% of all schools in California. This success is due to our innovative academic programs taught by dedicated teachers and our engaged parents who volunteer, donate, and advocate for public education.

Your donations to both LAEF and the PTA are key. They help bridge the funding gap, giving LASD the resources it needs to keep our neighborhood schools strong.

- Federal, state, and local funds enable a base education
- LAEF funds teachers and essential programs
- PTA funds supplies, community enrichment, and more

"I am grateful for parents and the community who generously invest in our schools. Your support makes it possible for us to provide an outstanding education for every student."

– Sandra McGonagle
LASD Superintendent

DONATE TO MAKE A DIFFERENCE

The Los Altos Education Foundation raises funds to sustain and enrich the Los Altos School District's excellent educational program beyond what public funding provides.

Donate today at [LAEFonline.org](https://laefonline.org)

Parents are encouraged to donate \$1,400, or \$140/month per student to LAEF this school year. Gifts of any amount are appreciated. Pledges are welcome. Increase your impact by submitting for a corporate match!

Our 2023-24 fundraising goals are \$2.9M and 100% parent participation.

EVERY STUDENT, EVERY SCHOOL

The Los Altos Educational Foundation (LAEF) raises funds to help ensure that every TK-8 student in our district receives a well-rounded, high-quality education.

A nonprofit organization run by a volunteer Board of Directors, LAEF is comprised of dedicated parents from every Los Altos School District (LASD) school.
